Get paid faster.

Across the DivDat network, water and power companies, municipalities and their corresponding departments, and corporate entities have processed over 710,000 transactions in 2022 alone, saving time, cost, and reconciliation resources. You can too.

"We want to give our customers the convenience that the DivDat Network offers. No longer will our customers have to wait in line at a DWSD Customer Care Center to pay their water bill or rearrange their schedule to come to our centers."

Detroit Water and Sewerage Department Director, Gary Brown
